Next Sunday is World Mission Sunday! Pope Francis is asking you and every Catholic worldwide to come together in celebration of World Mission Sunday. On this very special day every Church, in every parish across our globe will give what they can, no matter how little, towards the World Mission Sunday collection. Your contribution will be used to help spread faith, hope and love by supporting overseas missionaries, many of whom work in some of the world's most impoverished and remote communities. The weekly parish envelope next Sunday will go towards World Missions Ireland.

Sunday thought: Riches dazzle and give access to others. Riches impress and many people like to be around the rich. But you and I are constantly called upon by Jesus to go further, to live that life of detachment. In 2018, we live in a world where half the world's population lives on less than €2 a day. We must challenge ourselves to live justice... we must strive to create a world where there is not such a disparity between rich and poor. So, how am I detached from what I own? How am I allowing the message of Jesus to push me out of my comfort zone to encounter those in need? The gospel challenge is to constantly go further. To go further in love and generosity, to go further in building peace and justice. Let's not go away sad. Let's raise to that great challenge.
