Sunday 18th November commemorates **World Day of Remembrance for Road Traffic Victims**. It is a time to remember the many killed and injured on the nation's roads, together with their families, friends and many others who are affected. It is also a day to thank our emergency services who deal with the consequences on a daily basis. Over the period from January 2007 to December 2017 a total of 3,141 people have lost their lives on the roads on the island of Ireland, figures which don't include the countless numbers left with life changing injuries over the same period.

Diocese of Clogher - Child Safeguarding - Prayer for Pardon

"We ask forgiveness for the times that as a Church we did not show survivors of all kinds of abuse: compassion and the search for justice and truth through concrete actions" Pope Francis.

Our Diocese wishes to put into "concrete actions" the words of Pope Francis, and so we appeal again to anyone who has concerns about the welfare and safety of children, or anyone who has themselves been victims of clerical abuse to please approach one of our Designated Liaison Persons, Brendan Kelly or Anne Molloy, where you will be received with compassion and kindness, as we work towards the goal of justice and truth. If anyone feels uncomfortable approaching the DLPs, please approach the State Authorities, HSE, Tusla, local Gardai, local PSNI. Survivors of Abuse may also avail of Towards Healing, a confidential and free Counselling and Support Service. See Church noticeboards.
