THE CREST AND MOTTO OF OUR NEW BISHOP

The crest of our new bishop has three sections and three background colours. The white and black are a reference to Fr Larry's native parish of Magheracloone while the blue denotes his association with and love of his native Monaghan. The Masai shield and the two crossed spears represent his strong links with the Diocese of Kitui in Kenya. The rowan berries and leaves are a tribute to St Macartan, the first Bishop of Clogher. The bottom part of the shield shows an image of three stained-glass windows, representing the beauty of God's light, shining through the saints.

The new bishop's chosen motto is displayed below the shield - **"God is Love"**. This is taken from the First Letter of St John (1 John 4:16), which reads: *'God is love, and he who abides in love abides in God, and God abides in him.'*

These words – God is Love – express the heart of our Christian faith. They joyfully proclaim the Christian image of God: a loving God, active in our world. Love is the fundamental dimension of our relationship with God and of our lives as Christians.
