Extraordinary Month of Mission – October 2019: This month is an opportunity for us to rediscover our own mission. We are asked to move away from the idea that mission work is solely the work of priests and sisters, catechists and lay missionaries. What part can you play? It is because of the prayers and generosity of people like you that hope, love and joy can continue to be shared with those who suffer and those who are neglected. This is reflected in today's Gospel reading – the challenge to answer the call to service, to give of ourselves, in the sharing of the Good News. This is also reflected in the theme for **Mission Sunday on 20 October** – 'Together We Are Mission'. More details can be found on www.wmi.ie

About Day For Life – 6 October 2019

Day for Life is celebrated annually by the Catholic Church in Ireland, Scotland, England and Wales. It is a day dedicated to raising awareness of the meaning and value of human life at every stage and in every condition. The Catholic bishops of these countries have chosen to focus on domestic abuse as the theme for Day for Life, Sunday 6 October 2019. We wish to raise awareness of the prevalence of this issue across our countries.
