JOINT MESSAGE FOR PENTECOST FROM THE BISHOPS OF CLOGHER: *"We must continue to communicate the language of love and hope across all barriers and boundaries. It would be so easy after this long period of restrictions to move to despair and lose hope. Yet we believe there are signs of new life all around us in the vaccination programme and the good response to public health guidance. Let us encourage one another to communicate the hope that by God's help, our common life*

will slowly return, and together seek his grace to renew our lives.

"So, we pray, that the Holy Spirit of Pentecost may inspire us so that we communicate in our words and deeds the hope we have in God. May we as Christian people, speak of our belief in the transforming power of God, and by his Spirit to work together for the rebuilding and re-energising of our churches and society.

"May the Spirit of God fill us with all joy, hope and peace."

+ Larry Duffy
