The Synod on Synodality began in Rome this week, on the theme: 'For a Synodal Church: Communion, Participation, Mission'. The aim of the Synodal Process is to provide an opportunity for the entire People of God to discern together how to move forward towards being a more synodal Church in the long-term. In light of Pope Francis' comment that 'without prayer there will be no Synod', we are all encouraged to unceasingly pray to God over the coming weeks for Pope Francis and for all members of the Synodal Assembly. Let us remember in a special way the Irish participants - Bishop Alan McGuckian, Bishop Brendan Leahy, Sr Patricia Murray, IBVM and recently elected President of the Union of International Superiors General, Sr Mary T Barron, OLA, who are all voting members, and Rev Professor Eamonn Conway (as Expert and Facilitator).

The Pope's Intention for the Synod: That the Church may adopt listening and dialogue as a lifestyle at every level and allow herself to be guided by the Holy Spirit toward the peripheries of the world.

For Saints' Feasts of the coming week go to the bottom righthand corner of the rear page of the Mass missalette.

Enkindle in the hearts of men and women the spark of a vocation. Grant that Christian families may desire to give to your Church helpers in the work of tomorrow. Amen.’*
