Thought for the Day: *In a world where the poor are increasingly numerous, we paradoxically see the growth of a wealthy elite, living in a bubble of comfort and luxury, almost in another world compared to ordinary people.*

This means that a culture still persists – sometimes well disguised – that discards others without even realizing it and tolerates with indifference that millions of people die of hunger or survive in conditions unfit for human beings. A few years ago, the photo of a lifeless child lying on a Mediterranean beach caused an uproar; unfortunately, apart from some momentary outcry, similar events are becoming increasingly irrelevant and seen as marginal news items. Pope Leo XIV, Dilexi Te, Love for the Poor.

World Day of the Sick: World Day of the Sick is this Wednesday 11th February and falls on the Feast of Our Lady of Lourdes. In 1992 Pope John Paul II instituted the World Day of the Sick to be held in commemoration of Our Lady of Lourdes. The Sacrament of the Sick will be celebrated after next weekend's Masses. The person receiving the Sacrament is required to be the bearer of some malady or illness, physical and or mental.
